

Please allow me this opportunity to thank each of you for your interest in the Minister's Round Table. Prayerfully, our networking together will help unify the ministers throughout the Pee Dee Region.

The Minister's Round Table began August 11, 1998 under the preeminence of the Pastor's Round Table, with the goal of unifying the various associate's ministers throughout the Pee Dee Region.

Together we will grow dimensionally by our sharing; new friend's/acquaintances will be developed as we gain new insight and depth to the ministries in which we have been called.

Meetings are held quarterly every 2nd Saturday of the month. The next meeting will be held on **Saturday, September 7, 2019 at The S.H.E.R.E.C (Strive Hard Educational, Recreational and Enrichment Center) of New Ebenezer Baptist Church at 12noon (Luncheon).**

We look forward to what God has in store through us as chosen proclaimers of the Gospel.

God bless,

Rev. Sandra "Cookie" Carter
